Staff: Teachers and other adult helpers.

All staff should:

1. Treat pupils and other adults with respect.
2. Use appropriate language and behaviour when working with young children and commit fully to the spirit of this code of practice.

4. Ensure that resources and facilities are appropriate to the age and ability of the children and meet safety standards.
5. Be fully conversant with school safeguarding procedures and be DBS checked as required.
6. Respect all other schools in attendance and under no circumstances use ISA events as a means of recruiting pupils or staff.
7. Remember that children take part for fun and enjoyment and winning is only part of this. It is important that pupils gain a positive experience from the event.
8. Be a positive role model and lead by example.
9. GAP students, employed by the school, are not allowed to participate in sports events individually or as part of a school team.
10. Only select pupils who are on the main school's admissions register, on the date of the event.
