Competition open to ISA Members Schools only

This competition invites pupils to design a book cover based on the theme '*A Door to Somewhere Else*'. The winning design will be used for the book cover for the published stories from the ISA Young Storytellers Competition.

Year Groups and Eligibility

Only schools whose Head is a Member with ISA are eligible to enter ISA competitions. Any pupils competing must be on the main school's admissions register on the date of the event.

Our year groups follow the UK National Curriculum. For guidance on selecting the correct year group for your student(s), please refer to the UK system [here](#). When completing your application, please enter students according to the UK year group, even if your school uses a different age or stage structure.

Access and Inclusion

At ISA, we are committed to making our opportunities as accessible as possible. We warmly welcome applications from all students, including those with learning difficulties or disabilities.

If a student (including those with an EHCP or on the SEND register) is working at a level that does not align with their chronological year group, or if your school prioritises developmental stages, skills, or personalised progression rather than fixed year groups, please do get in touch with us at the following email address hannah.lovegrove.campion@isaschools.org.uk. We are happy to discuss individual circumstances and advise on the most appropriate way to apply.

Accessible Formats

Alternative formats of these guidelines are available on request. Please let us know as early as possible if you require this, so we can provide the information in a format that works for you.

If you have any questions, please contact isaarts@isaschools.org.uk
