Founded in 1878, ISA is one of the oldest of the organisations for the heads of independent schools.

Our members are Headteachers or Principals of independent schools, or Honorary Members who serve the sector. ISA Members' schools are **diverse** and cover the complete age range and vary in size and nature, from **early years** to **senior**, **boarding** and **day**, **all-through schools**, **co-educational** and **single gender**, and **specialist schools** in the **arts** and **music**.

ISA works closely with Headteachers and with other professional bodies to promote excellence in independent education. We seek to influence the national educational debate on behalf of our Members, while promoting independence and choice.

**Sponsoring** at our events allows school suppliers to build their brand awareness through an affiliation with an influential voice within the independent education sector and offers access to key decision-makers.
