## ISA Welcome

On behalf of the Independent Schools Association, welcome to the Alexander Stadium in Birmingham. We are incredibly excited to welcome competitors, parents, staff, visitors, and officials back to this prestigious venue which recently played host to the largest Commonwealth Games ever held.

Each of the seven ISA regions - North, Midlands, East Anglia, London North, London West, London South and South West have held their own area athletics meetings prior to arriving here today, so all the competitors have already achieved a significant feat through their qualification for this event. The event, now in its 61st year, is the highlight of the season for many of our competitors. We owe a big thank you to all the regional event organisers who voluntarily spent their time and worked hard to ensure the qualifiers ran smoothly and successfully.

Staging these championships takes a great deal of organisation and cooperation. We are very grateful to all officials and volunteers for all their contributions leading up to and on the day. Without officials, none of the events would take place in such a well organised and safe manner. Thank you to all the teaching staff who support athletics in their schools, preparing and coaching their athletes.

One final big thank you, to Gwil Price, Competition Director and ISA Sport Ambassador who commits hours upon hours of his own time to ensure the event runs smoothly. Gwil is instrumental in the planning process, and this event could not run without him.

Look out for our event sponsor Activate Camps who will be offering discounted prices on their popular summer camps. One lucky medallist today will be drawn out of a hat and receive a FREE place on a Performance Running Camp. You can read more about this prize later in the programme or find the team up on the concourse area throughout the day.

Although there can only be one winner in each event, whatever the result, every athlete can leave today feeling that they have achieved something great. Good luck to everyone today and thank you for supporting the ISA National Athletics Finals at the Alexander Stadium.
