ISA
ARTS

The ISA Scrapbook Challenge encourages pupils to create scrapbook pages that express their emotions, creativity, and memories in a unique and artistic way. The scrapbook can capture different emotions like happiness, excitement, love, hope, or even moments of sadness, all expressed through colours, drawings, pictures, and words. This is a celebration of every child's imagination.

Eligibility

Only schools whose Head is a Member with ISA are eligible to enter ISA competitions. Any pupils competing must be on the main school's admissions register, on the date of the event.

Open to all ages. Our year groups are based on the UK national curriculum, for more information and to check the correct year group for your students see [here](#). Please ensure you enter pupils according to the UK system, even if your own school's age group system differs.

At ISA, we are committed to making our opportunities accessible, we welcome applications from all pupils, including those with learning difficulties or disabilities. If your pupil(s), those with an EHCP or on the school's SEND register, are working at a level that differs from their age group's key stage, or if your school or student focuses on development and skills rather than year groups, please contact us.

Alternative formats of these guidelines are available on request. Please notify us at the earliest opportunity so we can provide the document accordingly, if required.
