ISA
ARTS

Playing and performing music helps to build students' confidence and mental wellbeing. The ISA Band Competition aims to inspire pupils to practice their musical skills, and to work together to produce a cohesive performance.

Eligibility

Only schools whose Head is a Member with ISA are eligible to enter ISA competitions. Any pupils competing must be on the main school's admissions register, on the date of the event.

Open to Year 1 - 13. This competition does not include choirs. Must be groups, no individual entries. We encourage in-house competitions to narrow down the entries.

Our year groups are based on the UK national curriculum, for more information and to check the correct year group for your students see [here](#). Please ensure you enter pupils according to the UK system, even if your own school's age group system differs.

At ISA, we are committed to making our opportunities accessible, we welcome applications from all pupils, including those with learning difficulties or disabilities. If your pupil(s), those with an EHCP or on the school's SEND register, are working at a level that differs from their age group's key stage, or if your school or student focuses on development and skills rather than year groups, please contact us.

Alternative formats of these guidelines are available on request. Please notify us at the earliest opportunity so we can provide the document accordingly, if required.
