

Rugby School Risk Assessment.

Date of Assessment: 24th March 2019

Name of Assessor AJS & DWD

Area of Assessment: Crick and Barby courses

Step 1: What are the Hazards?	Step 2: Who might be harmed and how?	Step 3a: What are you already doing?	Step 3b: What further action is necessary?	Step 4: How will you put the assessment into action?		
Spot the Hazards including long term health hazards	Identify groups of people that may be affected by the hazard. How will the hazard cause harm?	State what is already being done to reduce the likelihood of harm or make any harm less serious	What more can be done to reduce the risk of harm?	Action by whom?	Action by when?	Action completed Date
Weather.	Groups involved: All participants, Members of staff, members of the public, emergency services. The weather will determine whether the event takes place.	The weather forecast is being monitored.	A Dynamic Ongoing Risk Assessment (DORA) of the weather throughout the event.	Event Organisers: AJS & DLS	Prior to and during the event	
Course	Groups involved: All participants, Members of staff, members of the public, emergency services. Associated injuries from obstacles unfit course and traffic.	A course inspection will take place before the event and signage will be posted at all strategic points where road vehicles and participants could collide.	Marshals to be deployed to strategic areas to monitor/control areas of concern	Event Organisers, Marshals	Prior to and during the event	
Marshals	Groups involved: All participants, Members of staff, members of the public, emergency services. Associated injuries caused by lack of experienced Marshals in strategic areas.	Marshals have been recruited for the event and will be given a fluorescent vest with 'Marshal' printed on the rear for identification and use in areas where traffic may converge.	Ensure Marshals are briefed as to their position and duties for the event. The grid reference for their location will be on the map.	Event Organisers, Marshals	Prior to and during the event	

Step 5: review date: On the day prior to event – 23rd March 2019
