Tournament Format

- 7 a-side. Squads must include a goalkeeper + 6 outfield players. Female players only.
- Every team will play three group matches followed by either the cup or plate competitions.
- The schedule has been designed so that each team will play on the stadium pitch at least once.
- Where possible, we have avoided back to back games but on a couple of occasions, this has been unavoidable. Please keep to the schedule.

Match duration

All matches 10 minutes one way with a 2-minute break in between matches, please ensure that your team is in the right place at the right time.

Group matches will be run on central timing in the group stages; start is signified by a hooter and both referees ready, end of match is also signified by a hooter. Hooter will not signify the end of a match if there is a dead-ball situation with a goal scoring opportunity, at the Umpire's discretion.

To ensure that we keep to central timing, if you are late for a match the following penalties will be incurred (Umpire's discretion)

- 0 seconds – 1 minute late = 1 goal to the opposing team
- 1 min 1 second – 2 minutes late = 2 goals

The team who concede these penalties will begin with the centre pass (as if a goal had been scored)

Knockout matches will have umpires time their pitch, the next matches competing teams must be on the pitch side ready to go as per schedule timings.

It is important to remember that this event is for the enjoyment of the participants so please refrain from challenging official's decisions.

In the event of an injury, the player's safety will be prioritised. If the player cannot be moved safely (discretion of Medical) and the match ends, the score at the time of the injury will be taken.

Scoring

Win = 5 points
Score Draw = 2 points
Scoreless Draw = 1 point

Please ensure that one coach or player from the winning team is responsible for collecting the scorecard from the umpire and returning it to the results booth for each competition.

If teams are level on points in the initial group phase they will separated in order of:

- 1) Head to Head record
- 2) Goal Difference
- 3) Goals Scored
- 4) Goals Conceded
- 5) Coin Toss!

1st & 2nd will qualify for the CUP competition

3RD & 4TH will qualify for the PLATE competition

If teams are level on points following the Cup group phase and it directly affects who plays in the final, the above list will apply except in place of a coin toss, there will be penalty shuffles at no.5.

Hockey rules & Officiating

Each match will be played under England Hockey's "In2Hockey" rules.

You must provide your own goalkeeping kit and safety equipment (shin pads and gumshields) for all outfield players. Each team must also bring a set of bibs in case of a colour clash.
