# The University of Manchester and Scarisbrick Hall School University partnership programme 2019/20

The University of Manchester and Scarisbrick Hall are delighted to be working in partnership to provide a range of enrichment and engagement activities for pupils from our partner schools, working alongside pupils from Scarisbrick Hall.

Scarisbrick Hall will provide transport and refreshments for all partner schools taking part in activities as part of the partnership. The University will liaise directly with staff from Scarisbrick Hall meaning the administration burden on staff in our partner schools is minimal.

We look forward to welcoming you and your pupils to Scarisbrick Hall

PROGRAMME OF EVENTS

# PROGRAMME OF EVENTS

## AUTUMN TERM 2019

**EVENT:** GIFTED TALENTED AND ABLE STUDY

**DAY:** HUMANITIES - WITH A FOCUS ON LANGUAGES AND ENGLISH

**LOCATION:** SCARISBRICK HALL

### About the day...

An in depth subject specific day for GTA learners taking place at Scarisbrick Hall, facilitated by University of Manchester staff and students from the Faculty of Humanities. The event will feature workshops, a mini lecture and a Why Study Humanities Presentation.

As well as providing stretch and challenge beyond the curriculum this day will include University information, advice and guidance to support pupils in making the right choices for their educational futures.

**Subject areas explored:** English and Modern Languages.

**Skills development:** Team working; Verbal Communication; Active Listening; Meeting New People; Analytical Skills, Translation, Memory, Problem Solving, Research Skills, Resource Analysis.

**EVENT:** MEDICINE AND HEALTHCARE VISIT

**LOCATION:** THE UNIVERSITY OF MANCHESTER MEDICAL SCHOOL

### About the day...

An opportunity for a small group (circa 30 Year 12 students) from partner schools and Scarisbrick Hall to attend a visit facilitated by the University's Medical School within the Division of Medical Education. This visit will give learners the opportunity to see the University campus and experience practical workshops and provide insight into how to make a successful application to medicine at university.

**Skills development:** Team working; Verbal Communication; Active Listening; Meeting New People; Analytical Skills, Translation, Memory, Problem Solving, Research Skills, Resource Analysis.

## SPRING TERM 2020

**EVENT:** ANNUAL GREAT HALL LECTURE SERIES AT SCARISBRICK

**LOCATION:** SCARISBRICK HALL

### About the day...

Academic colleagues from The University of Manchester will provide engaging and exciting lectures to inspire pupils in a range of subject areas as part of Scarisbrick's Great Hall lecture series. Taking place at Scarisbrick Hall, University staff will also be available to answer questions from sixth form students about university courses and how to apply to universities.

**EVENT:** GIFTED TALENTED AND ABLE STUDY

**DAY:** ENGINEERING AND NATURAL SCIENCES

**LOCATION:** AT SCARISBRICK HALL

### About the day...

A hands-on subject specific day for GTA learners taking place at Scarisbrick Hall, facilitated by University of Manchester staff and students from the Faculty of Science and Engineering. As well as practical activities providing stretch and challenge beyond the curriculum this day will include university information, advice and guidance to support pupils in making the right choices for their educational future, and highlight the range of courses and careers available in Engineering and Natural Sciences.

**Skills development:** Team working; Verbal Communication; Active Listening; Meeting New People; Analytical Skills, Translation, Memory, Problem Solving, Research Skills, Resource Analysis.

## SUMMER TERM 2020
